# You Served Our Nation In Its Time Of Need...

...NOW COMFORT KEEPERS® IS THERE IN YOUR TIME OF NEED

## IN-HOME CARE FOR VETERANS

If you are a veteran or surviving spouse of a veteran requiring in home care or assistance in your daily life, you may be

eligible to receive additional benefits from the Veterans Administration or other in-home care assistance programs from the VA Hospital system.

## PROGRAMS YOU MAY QUALIFY FOR AS A VETERAN:

- Improved Pension Benefit Program
- Homemaker/Home Health Aid Program
- In-Home Respite Program

## HOW DO I QUALIFY?

If you or your spouse served 90 consecutive days of active military duty – at least one of those days during a US-declared war – you're already partially qualified.

## HOW DO I GET STARTED?

The first step is to begin the application process.

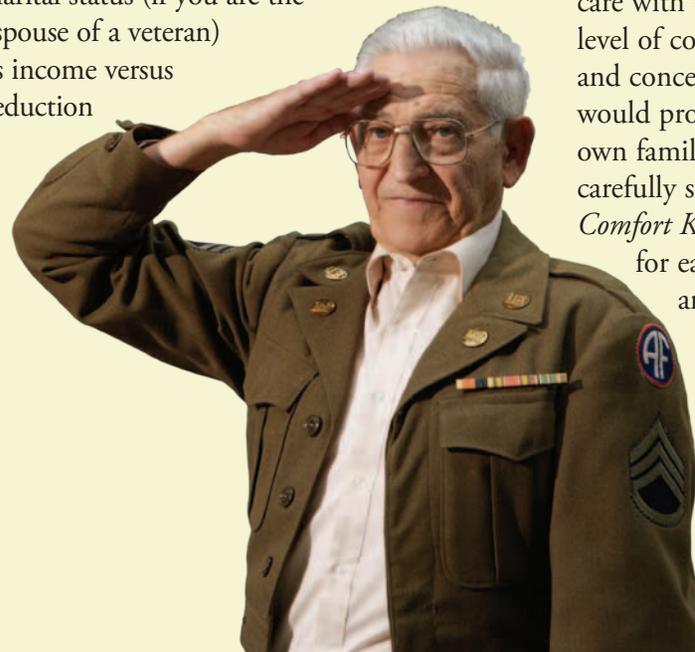

You will need the following documentation:

- Original discharge certificate
- Marriage certificate (divorce papers from any prior marriages, if applicable)
- Death certificate of the veteran (if applicable)
- Social Security number for both the veteran and spouse

## WHAT OTHER QUALIFICATIONS MUST I MEET?

VA programs were designed for those who meet specific financial criteria and demonstrate physical need for in-home care. Applicants must present documentation to verify:

- Total financial assets
- Current marital status (if you are the surviving spouse of a veteran)
- Total gross income versus medical deduction
- Physical condition

## HOW CAN COMFORT KEEPERS® HELP?

We provide you with individualized assistance to work through the required paperwork to help you avoid potential pension claim delays. Once you become an approved participant in a VA program, Comfort Keepers will provide the quality care and companionship you deserve.

If you think you may qualify for one of the VA programs contact your local Comfort Keepers office today. Or go to [www.comfortkeepers.com](http://www.comfortkeepers.com) to locate the office nearest you.
